NEWSPAPER FIREWOOD
To make a small grate or stove fire, or to kindle a big one, use old newspapers which have been rolled up tightly, soaked overnight in water, squeezed out and allowed to dry for several days. The tighter they are squeezed, the better firewood they make.

CARRY COLOR SAMPLES
When a wall is painted, have the painter paint the color on a small piece of board. Then take this with you when you look at draperies, furniture, rugs, pictures, etc., for that room.
