Good party-line neighbors are considerate party-line users. Remember these golden rules:

- Space your calls instead of making several without a break.
- Talk only as long as necessary on each call.
- When you finish talking replace the receiver properly.
- Make certain, if you are using a dial telephone, that the line is clear before you dial.
- Ask your youngsters to be considerate, too.

Here's how you may be sure of getting your party more often when you dial:

1. Look up your number in the latest directory.
2. Listen for the steady hummm of the dial tone.
3. Keep your eye on the dial.
4. Wait a minute before you decide your party isn't home.

**TO REPAIR LINOLEUM**

Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home, yet their cost is very small if they are installed during construction.

If you have a break in the edge of linoleum, take a good-sized piece of cloth (to reach well beyond the break at all points), cover it with glue and put it beneath the linoleum. Weight it down with heavy objects until it has had time to dry and set.

**"AMOR" PLAN**

Thousands say it is better than buying for cash or on time!!

No DOWN PAYMENT on approval of credit... only a SMALL cash "deposit" - and this deposit is much, much LESS than the down payment when you buy a new car in the old-fashioned way. Your monthly rental payments, too, are LESS.

**PAYMENTS APPLY TO PURCHASE**

Best of all, the bulk of all payments you make apply to eventual purchase or replacement, as you prefer. CHECK OUR SENSATIONAL NEW LOW-COST "AMOR" LEASE PLAN WITHOUT DELAY!
