NEWSPAPER FIREWOOD
To make a small grate or stove
fire, or to kindle a big one, use
old newspapers which have been
rolled up tightly, soaked over-
night in water, squeezed out
and allowed to dry for several
days. The tighter they are
squeezed, the better firewood
they make.

SPECIAL STUDIES...
... reveal that over 9 out of
10 buyers consult the classi-
fied telephone directory
when they want to buy.
Adequate representation
under ALL classified head-
ings, descriptive of your
products or services, will en-
able them to find you easily.
