**TO PAINT SCREENS**  
To paint a screen, or cover it with insect repellent, fasten a piece of old carpet to a block of wood. By using this implement instead of a brush, you will save lots of time and avoid lots of splattering.

Two friendly telephone habits:  
QUICK to answer when your bell rings;  
SLOW to hang up when you call someone who does not immediately respond.  
In calling others, remember that the called person may be almost there—so wait a few seconds longer.
