NEWSPAPER FIREWOOD
To make a small grate or stove
fire, or to kindle a big one, use
old newspapers which have been
rolled up tightly, soaked over-
night in water, squeezed out
and allowed to dry for several
days. The tighter they are
squeezed, the better firewood
they make.

Insurance Agents & Brokers-(Cont'd)

STATE FARM INSURANCE
Famous careful-driver auto insurance
at rock-bottom rates.
We insure more cars than any
other company.
Fast, fair claim service.
7000 agents in U.S. and Canada.
Also life and fire insurance; residence liability.

TO GLUE FURNITURE
In gluing a loose furniture joint,
remember that glue doesn't provide
strength in filling an open
space, so first put a strip of thin
cotton cloth over the piece that
fits into the mortise. Then do the
gluing, tie the joint firmly to-
gether and let it set for 24 hours.
PLEASE LISTEN
FOR THE DIAL TONE
BEFORE DIALING
That "dial tone," a steady
hum, is the signal that the
equipment is ready to receive
a call. It corresponds to an
operator's "Number, please?"
