AT YOUR FINGERTIPS
To keep screws, nails, etc., handy and in view, attach the lids of glass jars to a rafter or shelf over your workbench. Screw jars in place.

Please DIAL CAREFULLY
Careless dialing puts other people to needless bother—and delays your call. Please make sure of the right number, listen for the dial tone, then dial carefully.

AT YOUR FINGERTIPS
To keep screws, nails, etc., handy and in view, attach the lids of glass jars to a rafter or shelf over your workbench. Screw jars in place.

Please DIAL CAREFULLY
Careless dialing puts other people to needless bother—and delays your call. Please make sure of the right number, listen for the dial tone, then dial carefully.
