Don't forget to plan for con-
cealed telephone conduit and
convenient locations for tele-
phone outlets when you build
your new home. These built-in
telephone facilities add real value
to a home, yet their cost is very
small if they are installed during
construction.

The men and women in the Bell
System are used to meeting emer-
gencies and they are trained and
equipped to carry on in times of
special need. For years they have
known the test of fire, flood and
storm. Always before them is the
tradition that "the message must
go through."
