Behind on orders? Let handy Classified introduce the suppliers you need. It's fast. It's convenient. Wise buyers say there's nothing like the Yellow Pages of your telephone book for getting in touch with almost everyone around who sells things, fixes things, does things. Try Classified once... you'll use it often.

NEWSPAPER FIREWOOD
To make a small grate or stove fire, or to kindle a big one, use old newspapers which have been rolled up tightly, soaked overnight in water, squeezed out and allowed to dry for several days. The tighter they are squeezed, the better firewood they make.
