HOW PROFESSIONAL ANSWERING SERVICE WORKS
A direct extension from your telephone to our switchboard will flash a light under your name every time the phone in your office rings.
If you do not answer... the light will continue to flash.
We will answer in your name, and act as your secretary.
We answer questions, quote prices, make appointments.
We will secure names, addresses and telephone numbers.
We will give the information to you when you return to the office, or at home or relay to whom you designate.
You may use one of our telephone numbers as your own, or our address and telephone numbers as your own.
