TO GLUE FURNITURE
In gluing a loose furniture joint,
remember that glue doesn't provide
strength in filling an open
space, so first put a strip of thin
cotton cloth over the piece that
fits into the mortise. Then do the
gluing, tie the joint firmly to-
gether and let it set for 24 hours.

Party Line Pointers:
1. Space your calls instead of
making a whole series.
2. If yours is an emergency call
and the line is in use, explain
the circumstances to the person
using the line.
3. If you are calling from a dial
telephone always make certain
the line is clear before you dial.
4. When the children use the tele-
phone, ask them to be con-
siderate, too.
5. Replace the receiver properly
when you finish your call.
