When good party-line neighbors use a dial telephone, they always remember to make sure the line is clear before they dial. And they replace the receiver properly when they're through.

Advertise here-it pays.

more and more

business men are finding that it pays in good will to place and receive their telephone calls with as little time-lag as possible.

They place their own calls or stay close to the telephone when they tell someone else to do it.

Here's how you may be sure of getting your party more often when you dial:

- 1. Look up your number in the latest directory.
2. Listen for the steady hummm of the dial tone.
3. Keep your eye on the dial.
4. Wait a minute before you decide your party isn't home.

Would you like to get your share of business from customers in your neighborhood? Then why not advertise in the Classified Telephone Directory? Simply call the Business Office of the telephone company and ask for the Directory Advertising Representative. He will help you plan a sales-building message.

Use the latest directory. Get the right number . . . right away.
