Good party-line neighbors are considerate party-line users. Remember these golden rules:
 • Space your calls instead of making several without a break.
 • Talk only as long as necessary on each call.
 • When you finish talking replace the receiver promptly.
 • Make certain, if you are using a dial telephone, that the line is clear before you dial.
 • Ask your youngsters to be considerate, too.
 The **YELLOW PAGES** tell purchasers where to buy your goods.
