NEWSPAPER FIREWOOD
To make a small grate or stove
fire, or to kindle a big one, use
old newspapers which have been
rolled up tightly, soaked overnight
in water, squeezed out and allowed
to dry for several days. The tighter
they are squeezed, the better fire-
wood they make.

When You Have
FORGOTTEN
. A NAME

Recommended
By Someone

You remember some-
one having recom-
mended a certain con-
cern or dealer, but can't
remember the name
recommended.

LOOK IN THE

Classified TELEPHONE SECTION

You will probably recognize
the name when you see it.
