KEEP LIGHT FROM MILK
Keep light from milk to prevent
loss of riboflavin, its most impor-
tant vitamin element. If you don't
meet the milkman, leave out a cov-
ered, insulated box for bottles of
milk. Remember that light hurts
milk more than heat does in a short
time.

LONG DISTANCE CALLS ARE FUN

Bet she just got a call from her husband who's
out of town on a business trip. Or maybe some-
one far away has surprised her with a very
thoughtful birthday present... a telephone
visit.

Isn't it time you enjoyed a telephone visit
with the folks back home... or the children
who have moved away? Probably some favor-
ite friends have birthdays or an anniversary

coming up soon. Or... wouldn't it be fun to
just "drop in" on that someone you've been
thinking of—by telephone.

Long Distance calls are easy, you know.
And the cost is low, as you'll see from the
typical rates on the inside cover of this book.

Tonight... make that telephone visit. Long
Distance calls are fun!
