An extension telephone is a step-saver in any home.

What calls
Did He
MISS?

He'll never know; for he failed to replace the receiver of his telephone.

Your calls may be important. See that the receiver is properly replaced.

THE PACIFIC TELEPHONE AND TELEGRAPH COMPANY

Please
DIAL CAREFULLY
Careless dialing puts other people to needless bother—and delays your call. Please make sure of the right number, listen for the dial tone, then dial carefully.

Good party-line neighbors are considerate party-line users. Remember these golden rules:

- Space your calls instead of making several without a break.
- Talk only as long as necessary on each call.
- When you finish talking replace the receiver properly.
- Make certain, if you are using a dial telephone, that the line is clear before you dial.
- Ask your youngsters to be considerate, too.
