Good party-line neighbors are considerate party-line users. Remember these golden rules:

- Space your calls instead of making several without a break.
• Talk only as long as necessary on each call.
• When you finish talking replace the receiver properly.
• Make certain, if you are using a dial telephone, that the line is clear before you dial.
• Ask your youngsters to be considerate, too.

Here's how you may be sure of getting your party more often when you dial:

1. Look up the number in the latest directory. Write it down.

2. Listen for dial tone.

3. Dial carefully.

4. Wait a minute before you decide your party isn't home.</
