Good party-line neighbors are considerate party-line users. Remember these golden rules:

- Space your calls instead of making several without a break.
- Talk only as long as necessary on each call.
- When you finish talking replace the receiver properly.
- Make certain, if you are using a dial telephone, that the line is clear before you dial.
- Ask your youngsters to be considerate, too.

## Traveling?

Then keep in touch with home by long distance. It costs so little... especially after 6 P. M. and all day Sunday when the lowest rates are in effect. See inside front cover of this directory for rates.
