Here's how you may be sure of getting your party more often when you dial:
 1. Look up the number in the latest directory. Write it down.
 2. Listen for dial tone.
 3. Dial carefully.
 4. Wait a minute before you decide your party isn't home.

Two friendly telephone habits:
 ANSWER QUICKLY when your bell rings; HANG UP SLOWLY when you have finished your call or your party doesn't answer. In calling others, remember the called person may be almost there—so wait a few seconds longer.
