TO GLUE FURNITURE

In gluing a loose furniture joint, remember that glue doesn't provide strength in filling an open space, so first put a strip of thin cotton cloth over the piece that fits into the mortise. Then do the gluing, tie the joint firmly together and let it set for 24 hours.

**Air Conditioning Equipment—Room—(Cont'd)**

**CARRIER ROOM AIR CONDITIONERS**

Complete selection of window and console models built by the people who know air conditioning best. They cool, dehumidify, and circulate healthful, filtered air. For over 50 years Carrier has been recognized the world over for fine air conditioning.
