EXPLOSION IN OVEN
If you burn the inside of the oven
with an exploded potato or some-
thing, soak a cloth in ammonia and
let it stay on the burned places an
hour or so, after which you can
scrape the spots clean without
harming the enamel.

Good party-line neighbors are
considerate party-line users. Re-
member these golden rules:

- * Space your calls instead of mak-
ing several without a break.
* Talk only as long as necessary on
each call.
* When you finish talking replace
the receiver properly.
* Make certain, if you are using a
dial telephone, that the line is
clear before you dial.
* Ask your youngsters to be con-
siderate, too.
