Good party-line neighbors are  
considerate party-line users. Re-  
member these golden rules:  
• Space your calls instead of mak-  
ing several without a break.  
• Talk only as long as necessary on  
each call.  
• When you finish talking replace  
the receiver properly.  
• Make certain, if you are using a  
dial telephone, that the line is  
clear before you dial.  
• Ask your youngsters to be con-  
siderate, too.
