Two friendly telephone habits:  
 ANSWER QUICKLY when your  
 bell rings; HANG UP SLOWLY  
 when you have finished your call  
 or your party doesn't answer. In call-  
 ing others, remember the called  
 person may be almost there—so  
 wait a few seconds longer.

Please distinguish between the  
 letter "O" and the numeral "0"  
 when dialing. Be sure to bring your  
 finger all the way around to the  
 finger stop for each letter or digit  
 and then release the dial without  
 forcing or retarding its return.

The Yellow Pages save you time.
