TO REPAIR LINOLEUM
 If you have a break in the edge of linoleum, take a good-sized piece of cloth (to reach well beyond the break at all points), cover it with glue and put it beneath the linoleum. Weight it down with heavy objects until it has had time to dry and set.

BLUE BOOK of Telephone Numbers

For faster service this attractive Blue Book of Telephone Numbers provides a handy place for keeping your personal list of local and out-of-town numbers.
 To obtain without charge, just call, write or visit your business office
