TO GLUE FURNITURE

In gluing a loose furniture joint, remember that glue doesn't provide strength in filling an open space, so first put a strip of thin cotton cloth over the piece that fits into the mortise. Then do the gluing, tie the joint firmly together and let it set for 24 hours.

AFFILIATED ANSWERING ASSOCIATION

Telephone Answering Services of California can put a TASC force to work for you throughout the State. Each Affiliate is Certified as to Efficiency and Integrity and Pledged to Superior Service at Reasonable Rates.
