ONIONLESS ONION
If you like potato salad but do not like raw onion, you might try boiling an onion in the water in which you are boiling the potatoes for the salad. This gives the spuds the flavor of onion.
Two friendly telephone habits: ANSWER QUICKLY when your bell rings; HANG UP SLOWLY when you have finished your call or your party doesn't answer. In calling others, remember the called person may be almost there—so wait a few seconds longer.
