ONIONLESS ONION
If you like potato salad but do not like raw onion, you might try boiling an onion in the water in which you are boiling the potatoes for the salad. This gives the spuds the flavor of onion.

TO PAINT SCREENS
To paint a screen, or cover it with insect repellent, fasten a piece of old carpet to a block of wood. By using this implement instead of a brush, you will save lots of time and avoid lots of splattering.
