In the Bay Area the **DIAPER SERVICE** SYMBOL OF SAFETY belongs exclusively to **DY-DEE WASH**

1. Kills all harmful bacteria.
2. Completely rinses out all cleansing agents and other substances irritating to baby's skin.
3. Impregnates the fibres of every diaper with a germicidal solution in controlled amount.
4. Produces soft, white, fluffy absorbent diapers... diapers that help prevent diaper rash because they are chemically non-irritant to the normal skin and actively antiseptic with germ-killing properties.
