ONIONLESS ONION
If you like potato salad but do not like raw onion, you might try boiling an onion in the water in which you are boiling the potatoes for the salad. This gives the spuds the flavor of onion.

Good party-line neighbors are considerate party-line users. Remember these golden rules:
• Space your calls instead of making several without a break.
• Talk only as long as necessary on each call.
• When you finish talking replace the receiver properly.
• Make certain, if you are using a dial telephone, that the line is clear before you dial.
• Ask your youngsters to be considerate, too.
