NO SPOTS HERE
To prevent spotting hinges or latches when painting a door, rub a little petroleum jelly on them first. Stray paint rubs off.

As one friend TO ANOTHER

Please speak distinctly, when you telephone, with lips close to the mouthpiece. It is just as important to talk directly into the transmitter as it is to keep your ear close to the receiver.

FOR BEST RESULTS
WITH YOUR TELEPHONE
please...

Make sure of the number.
If in doubt consult the Telephone Directory.

Speak with lips close to the mouthpiece, using your natural tone of voice.

And give the called person TIME to answer!

Thank You!
