EXPLOSION IN OVEN

If you burn the inside of the oven with an exploded potato or something, soak a cloth in ammonia and let it stay on the burned places an hour or so, after which you can scrape the spots clean without harming the enamel.

Here's how you may be sure of getting your party more often when you dial:

1. Look up the number in the latest directory. Write it down.
2. Listen for dial tone.
3. Dial carefully.
4. Wait a minute before you decide your party isn't home.
