Stencil Duplicator

Gestetner
Gestetner is the world's first and most widely used duplicator

Both a machine and a process that give you all the advantages of a modern printing press with all the economy and simplicity of a stencil duplicator. Gestetner costs no more than the old-fashioned 'mimeo'. A model for every size need and budget.

Gestefax MAKES STENCILS BY ELECTRONICS
Produces stencils from clippings, photos, letterheads, forms and even paste-up layouts. Completely automatic and silent. Operated by your office girl.
Stencil-Making Service as well as Sales.

Which Duplicating Process Is Best For You?

We sell five: A. B. Dick Mimeograph, Offset, Spirit, Azograph and Photocopy. There are many different models. Each process has a definite place in the picture. But one process and one model is particularly suited to your requirements. Our specialists in duplicating equipment will help you determine which. No obligation. No high-pressure salesmanship. Just facts.

SALES • SERVICE • SUPPLIES

Free Training! We'll be happy to train typists and others how to get the most out of your present duplicating equipment. No obligation. This is a service available to all our customers.
