**KEEP LIGHT FROM MILK**  
Keep light from milk to prevent loss of riboflavin, its most important vitamin element. If you don't meet the milkman, leave out a covered, insulated box for bottles of milk. Remember that light hurts milk more than heat does in a short time.

**TO FILL CRACKS**  
Cracks in wooden walls, etc., can be permanently repaired by filling them with a thick paste made of approximately 1 part linseed oil, 2 parts hot glue, 3 parts whiting and 4 parts sawdust.

**IT PAYS TO ANSWER TELEPHONE CALLS PROMPTLY**  
Prompt answering of a telephone's ring is thoughtful, courteous - and good business.

**That "dial tone", a steady hum, is the signal that the equipment is ready to receive a call. It corresponds to an operator's "Number, please?"**
