**PARKER WEATHER STRIP CO**  
4328 Geary Bl -----BA 1-2222

**KEEP LIGHT FROM MILK**  
Keep light from milk to prevent  
loss of riboflavin, its most impor-  
tant vitamin element. If you don't  
meet the milkman, leave out a cov-  
ered, insulated box for bottles of  
milk. Remember that light hurts  
milk more than heat does in a short  
time.
