**TO GLUE FURNITURE**  
 In gluing a loose furniture joint, remember that glue doesn't provide strength in filling an open space, so first put a strip of thin cotton cloth over the piece that fits into the mortise. Then do the gluing, tie the joint firmly together and let it set for 24 hours.

**APECO COPYMAKERS**  
 Instant DRY copies of anything written, printed, typed, drawn or photographed right in your office. Makes today's lowest cost copies. Full line of copymakers. Finest paper and supplies for all makes.
