KEEP LIGHT FROM MILK
Keep light from milk to prevent loss of riboflavin, its most important vitamin element. If you don't meet the milkman, leave out a covered, insulated box for bottles of milk. Remember that light hurts milk more than heat does in a short time.

FOUR THOUGHTFUL ITEMS
OF TELEPHONE PROCEDURE
1. Please answer promptly.
2. Please be on the line when the party you want answers.
3. Please speak distinctly and without hurrying, with the lips close to the mouthpiece.
4. Please replace the receiver gently when through talking.

STOP THOSE SPOTS
To prevent old oil or grease spots on walls from "leading" through onto new wallpaper apply a coat of clear shellac before papering.
