TO GLUE FURNITURE
In gluing a loose furniture joint, remember that glue doesn't provide strength in filling an open space, so first put a strip of thin cotton cloth over the piece that fits into the mortise. Then do the gluing, tie the joint firmly together and let it set for 24 hours.

SEWING ON BUTTONS
While sewing a button on a garment keep a pin stuck between the cloth and the button. This will leave enough play for easy buttoning.
