TO BLACK AND WHITE AREAS
 From coin telephones.....10¢
 From flat rate telephones.....no charge
 From message rate telephones

TO GRAY AREAS
 Numerals in circles 2, 3, etc. show the number of message units charged for a 3-minute station-to-station call to each point.
 Overtime message unit rates see page 6.

If an itemized bill is desired on any call made outside of your local calling area; but within the message unit calling area, such call should be placed with the Operator by dialing "0" and asking her to place the call as a station toll call. The charge for such a call will be at regular long distance rates, which are generally higher than message unit rates. Regular monthly itemization of all message unit calls, except local calls, may be obtained for a small additional charge. Call the Business Office for details.
