If an itemized bill is desired on any call made outside of your local calling area; but within the message unit calling area, such call should be placed with the Operator by dialing "0" and asking her to place the call as a station toll call. The charge for such a call will be at regular long distance rates, which are generally higher than message unit rates. Regular monthly itemization of all message unit calls except local calls, may be obtained for a small additional charge. Business Office for details.
