

# local and nearby dialing area maps and rates **index**

## To find the map and rate page for your telephone

Find the first 3 digits of your telephone number (your prefix) below and turn to the page numbers shown opposite your prefix.

The map page shows where you can dial, how you dial the places shown on the map, and how much it costs to call them.

The rate page shows the initial rate to call any prefix located in the area covered by the map.
